

Cert: Game Programming

2014 - 2015

The Game Programming Certificate provides students with an opportunity to learn how to create interactive computer games, including Web-based ones. It targets students who want to acquire skills needed for game design and programming. The required Game Programming course utilizes programming language chosen by instructor. The Certificate offers a choice between the three most popular programming languages: Java, C++ and C#.

Program Courses

Course No.	Course Title	Credits	Goal Area	Comments/Substitution
